This is an Elementary (A2) workshop and project-oriented course in English. The course will aim to provide meaningful practice in the four skills for students with different activities that will mainly focus on contextualized language and a communicative approach.

AIM:

Understand sentences and frequently used expressions related to areas of most immediate relevance (e.g. very basic personal and family information, shopping, local geography, employment). Can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters. Can describe in simple terms aspects of his/her background, immediate environment and matters in areas of immediate need.

Who is it addressed to?

Young people between 15 and 20 years old.

Benefits:

In the 40 hours of work you will be able to:

The student will be able to develop their writing and reading skills in basic English

Methodology:

The course will take place and PUCE's campus or online through PUCE's Zoom and EVA platforms. The course is organized in workshops and projects.
